

IN THE SUPREME COURT OF TEXAS

Misc. Docket No. 21-9030

SUPREME COURT ADVISORY COMMITTEE

ORDERED that:

1. The Court's Order establishing the Supreme Court Advisory Committee issued in Misc. Docket No. 18-9032 (March 1, 2018) and supplemented in Misc. Docket No. 19-9074 (August 23, 2019) is vacated, and this Order is substituted.

The Supreme Court Advisory Committee, first created in 1940 and reconstituted at various times since then, assists the Supreme Court in the continuing study, review, and development of rules and procedures for the courts of Texas, taking into consideration the rules and procedures of other courts in the United States and proposals for change from whatever source received. The Committee drafts rules as directed by the Court; solicits, summarizes, and reports to the Court the views of the bar and the public on court rules and procedures; and makes recommendations for change. The Court is not bound by the Committee's recommendations.

Committee meetings are held after public notice and are open to the public. A record is made of all Committee proceedings. Committee expenses are paid from funds appropriated by the Legislature or the State Bar of Texas.

Members of the Committee are appointed by the Supreme Court, which shall from time to time determine their number, qualifications, and terms of service. A Chair appointed by the Court to serve at its pleasure calls meetings with the approval of the Court, prepares an agenda in advance of each meeting, and presides over the meetings. Proposals, drafts, and other materials to be discussed are circulated before meetings.
